

BLAINE ZECHENELLY

2023 EMS VOLUNTEER RESPONDER OF THE YEAR FOR STATE OF WASHINGTON

On May 20, 2023, at the Washington State Firefighters' Association during their 100-year celebration in Wenatchee, honored Blaine Zechenelly as the 2023 EMS Volunteer responder of the year for the State of Washington.

This is a huge honor for Blaine and his tireless work in the service he provides to the citizens of Fire District 3. Cindy (Blaine's Wife) was also at the presentation. Both of these individuals give so much themselves for the service of others. Blaine exemplifies the true meaning of a Servant's Heart.

On behalf of Fire District 3 and all of our members, Congratulations to Blaine for this prestigious award.

Fire District 3 is fortunate to have individuals like Blaine and others who give so much of themselves for the service of others. Just an example of the fantastic people who make up the membership of the Fire District.
